

Study Abroad

Step-by-Step Guide

Step 1

Attend an Information Session

Each College will host an information session for prospective outgoing students detailing what opportunities are available.

Step 2

Research available host destinations

Consider factors such as language, cost of living, culture, climate, and course offerings at each destination.

Step 3

Submit an application

Complete an application form and submit to your College/Discipline.

Step 4

Receive an offer and confirm your acceptance

Step 5

Complete Host University Application

This could include a separate application for destinations where a visa is required.

Step 6 Attend pre-departure orientation

Step 7 Plan for your host destination

- Book your travel
- Apply for a visa, if required
- Take out appropriate insurance

Step 8 Complete pre-departure documentation

- Erasmus Paperwork
- Learning Agreement
- Mobility Assessment and Student Declaration

Step 9 Depart for your host destination
