

Logging into Curriculum Management System

Accessing the Curriculum Management System

- To access AKARI click <https://nuig.akarisoftware.com/curriculum/>
- Log in using the Federated Access

- Enter Username and Password using staff ID and PC password

SUPPORT:

There are three types of support channels for this service depending on the issue/request. However, please visit the [Curriculum Management FAQ](#) page before logging a support request.

Technical Issues: All Technical issues such as account creation, access to service and performance issues should be directed to the [Service Desk](#).

Curriculum Issues: Curriculum/Syllabus support queries, issues and requests should be directed to the Syllabus Team in [Academic Records](#). Please visit the [Akari Helpdesk](#)

CELt: Issues with adding instructors on blackboard should be directed to CELT

What Happens Now?

Update Status

[Submit For Approval](#)

Press this button if you wish to submit the Course Stream to the Registrar's office for approval. Note submit will only be possible if all required data has been provided.

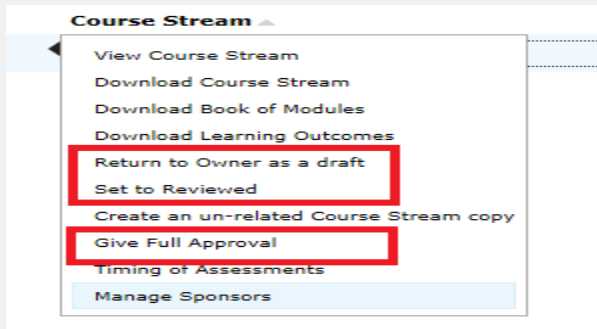

Please ensure that all updates are completed before submitting the course stream for approval.

'Submit For Approval' will move your course stream from 'My Draft Course Stream' to 'My Pending Course Stream'.

SUCCESS Course Stream Submitted for Approval

Course Stream _____ has been submitted for approval

My Draft Course Streams
My Pending Course Streams
My Approved Course Streams
My Rejected Programmes

My Pending Course Streams

The Final Approver in your College has three options:

'Set to Review' – This will move the course stream to

My Reviewed Course Streams

'Revert to Draft Status' – This will move the course stream back to

My Draft Course Streams

'Give Full Approval' – This will move the course stream to

My Awaiting Programmes

Once a course stream is in the 'My Awaiting Programmes' tab the approval process is complete. The course stream will go to the message queue between AKARI and Quercus ready to be accepted and approved by Quercus during integration.

Once the Course stream receives final approval, it will be moved to **'My Approved Course Stream'** tab. AKARI is generally *CLOSED* when this step happens.
